

Sustain Greenville Farmers Market

2025 Policies

- 1) Sustain Greenville Farmers Market is a volunteer run self-funded market. We welcome people to volunteer a lot or a little. There are a variety of tasks for you to help for the entire season or just a day.
- 2) Sustain Greenville Farmers Market are Wednesdays, the beginning of June through the end of September. We are open from 3:00pm – 6:00pm in the northern parking lot of Village Hall W6860 Parkview Drive in Greenville, WI 54942.
- 3) We are a rain or shine market. We are open unless there is a Tornado or Thunderstorm Warning. You can check weather alerts for Greenville in Outagamie County to know if there is a Warning.
- 4) Sustain Greenville Farmers Market is for farmers to sell produce they have grown, vendors to sell food they have prepared and handcrafted items that have been crafted by the vendor selling them. A minimum of 90% of their display area (table top for example) must be grown or made by that vendor. A small amount, less than 10%, of produce grown in other areas will be allowed, but **MUST BE CLEARLY & PROMINENTLY LABELED** such as: “Door County Cherries”, “Michigan Blueberries”, “Georgia Peaches” etc. Vendors must permit Market Representatives to inspect their growing area. No flea market or rummage sale items will be permitted. New resale items will be limited solely at the Market’s discretion and **MUST BE CLEARLY & PROMINENTLY LABELED** as Resale Items.
- 5) Season vendors are expected to attend all Wednesday Markets for the entire time. You must notify the Market Representative if you will be late or wish to be excused from the week’s Market. Vendors that do not properly excuse themselves by notifying the Market Representative two times will lose their reserved stall space. We appreciate notification ASAP, if you are aware of a Market you will miss please let the Market Representative know as soon as you know. If the Market Representative has enough notice we will try to bring in a non-profit or weekly vendor to fill your spot. The goal is to have each spot filled each week in order to be a good market for customers to visit and return as well as give good reports about our Market, which in turn help each vendor have more customers and make more sales.
- 6) Vendors are expected to be at their assigned stall by 2:30pm on Market Days but may be there earlier. If you are not in your stall by 2:30, then your spot may be given to a weekly vendor or a community group to use for the week.
- 7) All produce shall be sold by weight, measure or count in accordance with state weights and measure laws. A scale is required for sale of products by weight. All scales shall be inspected and certified prior to use for weighing products intended to be sold and will need to show a current sales permit sticker and/or receipt.
- 8) Vendors must be in compliance with applicable state, county and village laws or ordinances. It is the responsibility of the vendor to apply and pay for all Licenses and/or permits required. All licenses and/or permits shall be posted at their booth and attached to the Vendor Application.
- 9) All foods shall be stored in a way that protects it from contamination, such as in clean baskets, a cleaned bed of a truck or on an impervious material placed on the ground. Utensils, scales and any other equipment used to store or display shall be in good condition and kept clean.
- 10) Meats, poultry, eggs, cheese and such foods must always be refrigerated or stored on ice. The product must be kept at safe temperatures. If potentially hazardous foods do not meet safe temperature requirements, the product will be ordered off sale.
